TEAM BUILDING WORKSHOP

All our courses include an active and participatory methodology. Each phase of the training is focused on achieving the objectives set and participants are constantly encouraged to carry out practical experiences to replicate in the classroom with their students.

MONDAY-FRIDAY

9:00-13:00

EUROPE DIRECT
Piazza Grande - Modena

Our methodology is based above all on communication and practical learning. Throughout the process, digital tools that improve both the understanding and production of texts will provide valid help and support. For each module, final group work is used which stimulates discussion and creates motivating learning experiences by putting each planned action into a situation.
